Welcome to Bartholomew Fayre

Join us for two jam-packed days of **free neighbourhood fun** taking over Smithfield for all ages. Enjoy an exciting mix of hands-on art, talks and walking tours and live performances inspired by the anarchic joyousness of the original Bartholomew Fair and the radical histories of Clerkenwell, Farringdon and Smithfield.

Get stuck into everything from zine making and puppetry workshops to music and poetry performances, arts and crafts, graffiti art, imaginative play, food and drink available to purchase and loads more.

Thank you to our partners, supporters and funders.

Supported by the City of London Corporation's Community Infrastructure Levy Neighbourhood Fund and with public funding by Arts Council England.

Advance booking is recommended for some activities. Capacity is limited, and you may need to wait during busy times for some activities. Information is correct at time of going to print.
